

Culfadda NS Response Plan

What Children Need To Know

We can not wait to see you back at school really soon. To keep us all safe, some things will be a little different when we get back to school

You must only come to school if you are feeling well. If you are not feeling well you must stay at home

Because there are so many of us, we will need to use the 2 gates to come to school. If you are in 1st & 2nd class or come on big bus you enter by gate on Ballymote/Gurteen road.

Your parents and minders are not allowed to come into school this year. They must stay in their car and you can wave when you are in the yard.

Washing your hands is so important! Please wash them before you eat, if you sneeze/cough and when you come in from the playground. There will also be hand sanitizer for you to use every time you come in to your classroom, this is just to help keep our hands

To keep you safe:

- Your class will be your bubble.
- You will sit with some of your friends
- You can still talk to everyone, but you may not be able to sit beside them.
- Each class bubble will stick together, even in the playground.
- Because class bubbles have to stick together we won't see everyone in the yard.
- You will still do all the fun things with your teacher, and with your friends.

You won't be able to share with your friends this year so make sure you have all your own pencils etc

We know how much you love your toys, but we want to keep them safe, just as much as you.

Please leave all your toys, teddies, trading cards etc at home and only bring things you need for school in your bag
